

A Message from the Unit support Committee Chair,

I would like to start out by saying that I hope you are all doing well and adjusting to this new way of life. With the school year completed and the province starting to open more and more I hope everyone is ready to make the best of the summer and enjoy some fun with the family.

As I am stepping down this year from the position of Chair I want to thank you the parents and your cadets for the support you have shown me over that past three year as the Chair of the Unit Support Committee. I have been a part of 3016 Airdrie army cadet Corps for the past 9 years and have enjoyed watching all your cadets grow. I love seeing them come out of their shells and blossom into amazing youth. To the officers and our CO thank you it has been a ride and I enjoyed working with you, Mr. Ed Liukaitis Thank you for your support, your ear and for always answering my many questions. If you did not have the answer you were sure to get it for me. Your wealth of knowledge is extremely valuable.

Due to covid19 and Cadets being stood down we were unable to conduct our executive election in May. The executive will be staying the same until cadets are stood back up and we are able to conduct our executive election. This is scheduled to take place on the first Tuesday that we are back.

It takes many hands to run this organization and the more hands(positions) that we have filled the better it will be for this Unit Support Committee. My ask for you the parents is consider getting involved with this amazing organization. Below is the list of positions and a link to the details of what is involved with each role.
